## **OBJECTIVE**

Life after the military can pose many challenges to veterans and family members. For some returning to civilian life may feel like another battle that poses variety of challenges that must not only be fought, but also understood and accepted in order to be successfully overcome. That is the reason we chose this topic of helping veterans and welcoming them to civilian life by providing them with best suitable jobs.

## SCOPE AND APPROACH

**Problem**

**Solution**

# Problem

---

1. Understanding and abiding by civilian standard that may be different from military standards.
2. Coexisting with cultures, values and norms different from civilians.
3. Finding a new career path and many more.

# Solution

1. By providing with a Job portal where employers can post high salary veterans specific jobs.
2. We also have provides with consulting enterprise which can help veterans in setting a career path.
3. There is an event enterprise which helps veterans to re-establish and re-evaluate relationship with civilians

The background features several overlapping geometric elements: a large circle with a fine grid pattern on the left, a thick curved band with a dotted pattern in the center, and a thin curved line with a double-line border on the right. A vertical line separates the text 'THANK' from 'YOU'.

THANK YOU
